

Ken Hore Tourism Mentoring Program

Guidelines and Selection Criteria - 2024

Purpose

The purpose of the Ken Hore Tourism Mentoring Program (known as the 'Mentoring Program') is to honour the contribution made by the late Ken Hore to the Gippsland and Phillip Island tourism industry. Ken had a long association with members throughout the Gippsland and Phillip Island tourism industry. The Mentoring Program provides an annual career development opportunity to young tourism professionals or new entrants in the Gippsland and Phillip Island tourism Industry. The Program will:

- Promote skills and excellence among young people and new entrants into the tourism industry extending 'tourism networks' and providing a 'broader understanding of the industry'
- Contribute to the continued development and growth of tourism in Gippsland and Phillip Island; and

- Provide an opportunity for young achievers and new entrants to grow professionally
- Provide an opportunity for young achievers and new entrants to share their experience with their peers and the industry on completion
- Support recipients to be ambassadors for the Gippsland and Phillip Island tourism industry

Now in its 10th year, the Program has gone from strength to strength and has seen 57 participants graduate.
